Secondary security locks.

Energy savings, home comfort from hi-efficiency glass packages.

Standard Accessories

For your exact specifications and expectations .

COLOUR & GRILLS

Elegant, Luxurious, Classic.

*It's all in the details and
your imagination.*

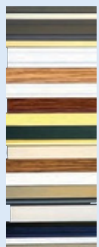

Colour

Major paint manufacturers' extensive colour palettes or optional colour matching provides exact equivalent.

Hundreds of standard colours — endless design possibilities.

Exterior Grills

Simulated Divided Lites (SDLs) recreate individually divided glass panes. Shadow bar between the glass and contoured interior and exterior mullions for exact recreation. SDLs, in 1" and 2" width, coated with colour.

Interior Grills

In many shapes, sizes and contours — various finishes compliment your door colour. Endless options. Some exterior paint colours cannot be matched exactly.

Beautiful ideas, create beautiful openings!

SECONDARY SECURITY
Kicklocks and Topbolts
in addition to our twin
point lock.

GLASS PACKAGES & INTERNAL BLINDS

Glass Packages

Higher efficiency glass packages for more home comfort, energy savings. Try LoE 272 or LoE 366 upgrades or combine i89 and 272 or 366 for hi-efficiency.

Blinds between the Glass

THE STANDARD BLIND PROGRAM

Available in more sizes than most other manufacturers, including:

- 2-Panel in 58 ¾" and 59 ½" widths by 79 ¼"
- 3-Panel in 7668 and 9068 sizes
- 4-Panel available in 10068 and 12068 sizes

The standard series only in white.

THE CUSTOM BLIND PROGRAM

In the custom blind program, order a specific size to accommodate more hard-to-fill openings and choose from among white and five spectacular colors — or custom sidelines with blinds. Restrictions apply, consult your dealer for size availability.

Please note: these ranges may not be achievable in all openings; some widths require a sidelite.

Sidelites & Transoms

Fit seamlessly with Capri 3.0 in same patio door glass package. Shapes also available. Consult your dealer.

Sidelite Mini Blinds in all colours as part of custom program.

THE DA VINCI PACKAGE

ALL UPGRADES
IN ONE PACKAGE

Capri 3.0 just got better: The Da Vinci Package.

A specially priced upgrade package which includes either San Remo Slim or San Remo D Hardware combined with an upgraded 3" Robusto Screen.

Tutto Nero (Total Black Package)

Includes Black anodized Panel and Screen sliding rails, dark weather strip and black sealed unit spacer. This package compliments many dark finishes.

Luxury and quality need not be expensive.
